# ONE TEAM: INNOVATION FOR SUSTAINABILITY

Starting from our logo, a clear reference to the Earth, we always have our attention on the safeguarding of our planet. The projects we work on have as a fulcrum the innovation for eco-sustainability, such as BIM4EEB, ECOFACT and INFINITE.

We strongly believe that preserving the Earth and its resources is essential, especially in this moment in history.

# CARBON NEUTRAL WITH BAMBOO

One Team compensates the 34,2 tons of CO<sub>2</sub> it produces yearly adhering to Forever Bambù's program «Forever Zero CO<sub>2</sub>».

We «adopted» 1316 sqm of bamboo forest in Trezzo sull'Adda, making our headquarters carbon neutral.
